

Cudas Hockey fans:
Another fantastic weekend for our travel Barracudas!

Squirts

The Cuda travel squirts repeated their performance 4 weeks ago with wins against the Jr Bulls and Jr Knights. The Cudas dehorned the Jr Bulls 4 weeks ago and on Saturday the Jr Bulls became the Jr Steers with another loss to the Cudas 7-3. The Cudas defeated the Jr Knights in their Second Crusade by a score of 5-3. The Holy Land of RDV is now a possession of the Barracudas. (We gave it back as a benevolent act of altruism!) Congratulations to Joey Musa and Alex Morley for cap throwers (hat tricks for those south of the Lake Michigan) and to Brooks Feder for his first goal and Riley Defoe for his second goal of the season!

The Cudas squirts have a solid second place in the CFHL and 3 of the top 6 points leaders: Musa Gatto, Meyer Congrats!

This is from a team that was in question of even having enough players 6 weeks ago. Great job to the players, parents coaches and even to the team manager, (Meyer, that's you!).

Bantams

After winning the A level RDV Labor Day tournament, the bantams beat the AA Atlanta Knights at home and this weekend faced their biggest challenge yet - a true AA tournament against the best bantam AA teams in Florida. After losing the first game on Friday, the Cudas came through with 2 wins and an slot in the championship game. The Cudas lost a close game 2-1 to the Jr Knights, but there heads were held high with a solid performance.

In their second season, this bantam team has come out of nowhere to become a real AA contender!!

Coach Matt, Coach Jim, Team Manager Sharon Brown, a very dedicated group of parents and a great team of hardworking players, some of whom are at the rink training 3-4 nights per week, deserve alot of credit making this team what it is.

Great Weekend of Hockey for Jacksonville!!!

Travel Mites had another great weekend also. We beat the Orlando Jr Knights 7-3 and the Spacecoast Hurricanes 5-1. Jackson Hester provided outstanding goaltending, and team captain Darren Mahin not only scored a bunch, he really provided leadership on the ice with many of our first year travel players. We should also comment that Misha Lapachelle played some of the best defense we've seen yet for our team, and Logan Spink scored his first travel goal ever (the first of many!)

Way to go Mites!!!
