#### **Game One – Cudas Score Early and Often Leaving Titans Holding a Donut**

Sometimes the best defense is a potent offense as was the case Saturday in Orlando. The Titans wish to enter a plea of “No Contest” as they could not mount any offense against the stingy play of the Cudas. Quinn Larson set the tone early with a few crushing hits in the first few minutes leaving the Titans in fear of what might be next. Well, next for “Q” was a hat trick in conjunction with two helpers. A dominating performance by “Q” along with linemates Dillon Gatto and Zeke Zeier was just what this “giant” killer ordered. The crowd was treated to a wrap around goal, a gorgeous cross-ice pass and shot from the slot, some intense stickhandling and even a spin-o-rama backhander all finding their way into the Titan twine. Joining the act were Donovan Tehan, Austin McDonough and Evan Asbury. D-man’s persistence paid off as he hammered his own rebound home from in front while Austin executed a bang-bang shot on a pass from the stick of Akil Thomas at the side of the net and Evan picked the left corner from his right D position on a kick-out pass from Carter Meyer. Also figuring in on the scoring were Timmy Lynch finding his forward line in stride crossing through the neutral zone, Nolan Sandie for muscling the puck from charging Titans trying to get a breakout started and Shaylyn Maybury for putting the puck in deep keeping the Cuda play alive. All-in-all an impressive outing for the Cudas.

Goals – 7 Larson (3); 23 Tehan; 15 Zeier; 12 Gatto (2); 61 McDonough; 39 Asbury

Assists – 12 Gatto; 7 Larson (2); 44 Thomas; 61 McDonough; 3 Meyer; 17 Lynch (2); 78 Maybury; 19 Sandie

#### **Game Two – Jr. Knights Strike First but Come up Short When the Horn Sounds**

As predicted, this one was a tough match as two CFHL Pee Wee Division leaders collided on Saturday evening. The Cudas came out skating strong, controlling the play for much of the game, but allowing the Knights just enough daylight to match the scores. The Knights scored first boosting their confidence until the Cudas struck back on a blue line turnover created by Donovan Tehan which was quickly fired on net by Carter Meyer. The puck rolled over the goalie’s shoulder only to rest on the goal line inches from paydirt. The Cudas’ Akil Thomas was quick to the puck for a tap-in goal and the tying score. Dillon Gatto then joined the fun by working in heavy traffic in front of the net sending the puck to the back of the net

for Cuda goal number two. On a helper from Alex DelVecchio, Akil Thomas hammered a shot on net which rebounded off to the left front of the net. Carter Meyer gave chase and beat a defender slapping the puck ice level just inside the left post as he toppled from the fight. Another rebound goal was in the Cudas' future as Austin McDonough slammed home a rebound from an Akil Thomas slapper for Cuda goal number four. Rounding out the scoring was Quinn Larson on a laser shot coming off of a precision cross-ice pass from Akil Thomas. Another solid win for the Cudas who improve their CFHL record to 7-1 and solidify their spot at the top of the standings.
